## Level Expected at the End of EYFS

The following early years goals are prerequisite skills for PSHE in KS1.

<b>Personal, Social and Emotional Development (Making Relationships)</b>	<b>Physical Development (Health and Self-Care)</b>
Children play co-operatively, taking turns with others. They take account of one another's ideas about how to organise their activity. They show sensitivity to others' needs and feelings, and form positive relationships with adults and other children.	Children know the importance for good health of physical exercise, and a healthy diet, and talk about ways to keep healthy and safe.
<b>Personal, Social and Emotional Development (Self-Confidence and Self-Awareness)</b> Children are confident to try new activities, and say why they like some activities more than others. They are confident to speak in a familiar group, will talk about their ideas, and will choose the resources they need for their chosen activities. They say when they do or don't need help.	<b>Understanding the World (People and Communities)</b> Children talk about past and present events in their own lives and in the lives of family members. They know that other children don't always enjoy the same things, and are sensitive to this. They know about similarities and differences between themselves and others, and among families, communities and traditions.
Personal, Social and Emotional Development (Managing Feelings and Behaviour)	<b>Understanding the World (The World)</b>
Children talk about how they and others show feelings, talk about their own and others'	Children know about similarities and differences in relation to places, objects, materials
behaviour, and its consequences, and know that some behaviour is unacceptable.	and living things. They talk about the features of their own immediate environment and
