

Parent Weekly Communication Letter - Friday 10th November 2023.

Academy News

Parents' Evening and Survey

I would like to say a huge thank you to all of you who completed the Parent Survey for us. We are always looking for constructive feedback on how we can improve further. Comments were overwhelmingly positive and once we have had time to process the surveys, we will give more detailed feedback.

If you were unable to attend this week, we will be contacting you with an alternate date.

The winning raffle ticket was 193 and was claimed by Oscar in Year 4.

Year 6 Trip to the Cenotaph

As in previous years, Year 6 attended a Remembrance Service alongside, Peterhouse, Lynn Grove, the Cadets and St Mary Magdalene Church. The children represented the Academy and yourselves beautifully and showed maturity and respect beyond their years. Well done Year 6!

Antibullying Week

As per the letter that we sent out earlier in the week, next week is Antibullying Week.

Monday is Odd Socks Day. We have invited you to join us for a PSHE lesson with your child. Please refer to the letter for days and times.

Antibullying Survey

This will be going out to pupils on Monday.

Children In Need

This takes place on Friday 17th. Children can come in bright coloured clothing with a £1 donation. There will also be a sponsored 'Bearpees' competition between classes next week. Please only donate if you can.

Packed Lunches

You received an email during the week to say that we will no longer be offering packed lunches over the Winter months. If possible, please take time to talk through the menu with your child before Monday.

National Science Day and Science Boffins

The children had a great day on Wednesday when they met Boffin Paul who did lots of science experiments with them. They had a lovely time. Today is National Science Day and morning learning has been based around a science theme.

Traffic Issues

Please can I ask that, if possible, you do not bring a car close to the academies, although I understand that for parents who live a distance away or have mobility issues, that this is not an option. Can I also please ask that you try and park courteously and if there is a wait to leave, that you try to be patient, whilst the traffic disperses.

We will continue to update you as we have any further news.

Dropping off and Picking Up

Please can I remind parents that unless they have a disabled badge, parents and carers should not bring cars into the carpark.

If you do have a badge and need to park, you will be asked to wait until children have left the Academy.

Sickness

We do have a small amount of sickness in some areas of the Academy. Please can I remind you that if your child has been sick, they must remain at home for 48 hours, whatever the circumstances. Sickness bugs are highly contagious, and we need to make every effort to minimise the risk of infection.

Pupil Premium

You may be aware that households who have an income of less than £16,000 a year are entitled to claim for free school meals. However, you may not be aware that once this has been agreed, the Academy will receive extra money per child so that we can provide clubs at no cost to yourselves and we can subsidise trips and enrichment activities.

We will send out forms next week and if you think that your child may be eligible, please can we ask that you complete the form and return it to the office at your earliest convenience.

Coats and Donations

If you have any coats or winter clothing that your children have grown out of, we would welcome donations so that we can pass them onto other families who may benefit from these items.

Governors

Are you able to spare a few hours to support the academy in its day to day running? Could you be a critical friend of the academy? If so, we are looking to appoint two parent Governors to join our Governing Body. Please contact Reception for more details.

Marbles

Each week, the children receive marbles for good work and choices. The marbles are put into colour pots in the classroom and at the end of each week, they are collected together and the colour / team with the most marbles wins. At the end of term the colour / team that has won the most times, win a small reward.

The winning colour this week is the BLUE team.

Attendance

The Autumn Term Attendance Prize will be 2 Electronic Tablets. There will be one for EYFS / KS1 and one for KS2. Winners will be drawn at the end of the Autumn Term. All children whose attendance is 98% or above will have the chance to win.

The winning classes for the collective highest attendance this week are:

Early Years and Key Stage 1: Searchers

Key Stage 2: Wayfarers

A big well done to both classes!

We are always striving to improve our attendance figures. Children who are in school are safe and accessing education to help them thrive. They are socialising with peers and learning how to be positive members of their community.

Our year-to-date Attendance target is 96%, the whole school's attendance is 94.18% this week.

Wherever possible, please ensure your child is attending every day to avoid missing valuable learning opportunities.
