Pond Winners

We have been lucky enough to secure funding for a new pond in our Eco Garden. We are hoping that this will bring a variety of animals and wildlife to the Eco Garden for the children to see. We asked the children to design their ideal pond area, and we are delighted to announce that Elliott in Investigators and Evaan in Venturers won a book and some sweets for their entries. Well done everyone who entered.

A big well done to both classes!

We are always striving to improve our attendance figures. Children who are in school are safe and accessing education to help them thrive. They are socialising with peers and learning how to be positive members of their community.

Our year-to-date attendance target is 96%, the whole school's attendance is 90.74% this week. Wherever possible, please ensure your child is attending every day to avoid missing valuable learning opportunities.
