We are always striving to improve our attendance figures. Children who are in school are safe and accessing education to help them thrive. They are socialising with peers and learning how to be positive members of their community.

Wherever possible, please ensure your child is attending every day to avoid missing valuable learning opportunities.

Our year-to-date attendance target is 96%, the whole school's attendance is 94.64% this week.

Wherever possible, please ensure your child is attending every day to avoid missing valuable learning opportunities.
